## MUTUAL LIFE INSURANCE COMPANY.

OF NEW YORK.

Assets \$1,702,007.00

This corporation, organized in 1843

for the purpose of insuring lives, is con-

ducted solely in the interest of its policy holders,

to whom in their collective capacity belong its

entire assets. All the profits are divided among

them, and there are no stockholders or control-

ling interests. The Company has been advised, and

is now the largest and most successful life insur-

ance institution of the world. The magnitude

of its business proves that it enjoys the most

favorable reputation. Report and allow all the

benefits, as provided by the New York law,

to be paid to the policy holders. The Company
